

# NEWPORT NEWS PTA SCHOLARSHIP PROGRAM\*

The Newport News Council awards a \$500 scholarship to a graduating senior from each of the city's five high schools. These scholarships are made possible by donations from the local units in Newport News. A general donation from the local unit's budget is an appropriate expenditure of PTA funds. In addition honorariums can be made for guest speakers, volunteers, teachers, or staff in lieu of gifts. Memorials can also be made for individuals a local unit wishes to acknowledge. All gifts will be acknowledged to the honorees.

**\*For your convenience, there is a line to include these donations on the previous page for Council Membership Dues....**
